December 1985

November has been an excellent month for the Club, it has managed to fit in a single venue (article from Sandra in the magazine) an A.G.M., (there is a list of new Committee Officials in the mag.). Many thanks must also go to Richard Shelmerdine and Rick Hickman for the vast amount of time and effort they have put into representing Eastwood, and organising members to help on the RAC.

Although by the time you receive this magazine the RAC will be over, I would still like to wish Mike and Pete all the best for the RAC, Eastwood's crew at number 48.

Don't forget the Club's Christmas Party, December 13th, a chance for us all to celebrate together - look forward to seeing you there !

As you can imagine Mike is engrossed with RAC preparation so I would like to wish you all on behalf of Mike and myself a very Happy Christmas and a lovely New Year,

Firstly I would like to congratulate Pete Doughty & Mick Smith on their superb performance, although they were forced to retire on SS63 with only about 4 stage miles left to do, their 14th position was well deserved at that point and I hope that all Eastwood members took pride in their achievement and media coverage as I did. All the best next time lads, you finally put the "local knowledge" brigade right in their place. Concentrating on the Nottingham aspects of the RAC, and specifically on Wollaton Park and Eastwood's involvement, I would like to thank everyone who turned out to help, either to marshal or to help with setting up or re-arranging what seemed like several miles of crush barrier. Special thanks are due to the "Daily Dozen" ; that group who turned out every day from Friday morning right through to Thursday night, always on time, always ready to do whatever needed doing: thanks a lot lads, you know who you are.

Finally, on behalf of the Club I want to thank Richard Shelmerdine for all his efforts before and during the event to make it the success that it was.

Quickbits Stages Rally.

Last month saw the second successful stage event this year, for Eastwood. We again used Lindholme Airfield.

I would like to thank everyone concerned for their help.

Unfortunately we were very short of Marshal's, we only had 7 Eastwood Marshal's sign on..I would like to thank Glenn Stockton and Mike Smith for their help at the finish all day. Viv Reid whowas at the start all day.

Yvonne Stockton for her help at signing on.. those that didn't come missed a super day, the sun shone and we all had a good day, once again thank you all, but I hope to see a few more Eastwood members next time.

M.Cox	/	D.Paul	N.f.	

Nigel and Martin received 2nd in class and best EDMC.

R.Munday / C.Earle were following in Adrain Drury's footsteps, they kept the spirit of the Rally award in the Eastwood family by rolling on Stage 2, this was only their second stage event, well done lads.

M.Cox / D.Paul also rolled on Stage 2 and seized their engine, they then volunteered to Marshal for the rest of the day as they knew how very short we were of Marshal's I think thats absolutely great thanks alot Mick and Dave,
