Welcome and thank you to all our members for your continued support to Eastwood & District Motor Club and the Annual Awards Evening.

This year we are celebrating the 73rd Awards Presentation and sadly not the grand affair of years past as our Competitor base remains a small but keen bunch plus, we are still pleased to have a keen group of Marshals out supporting events and this evening we have this great opportunity to share and present some lovely trophies.

On the competition front we saw Eastwood DMC crews out competing hard on the Classic Trials front plus quality crews out on some Stage Rallies and Road and Targa Rallies – and all were very successful.

The year saw a variety of EDMC marshals out on stage, road, targa and 12 car rallies – all supporting and promoting the club and claiming their points to ensure the tables for closely fought over.

So tonight, we honour the **2024 Season Club Award Winners**.

Thank you to all the competitors and marshals that support and promote the name of Eastwood & District Motor Club and of course, a big thank you must go to the organisers and helpers of all the events (big and small) that Eastwood & District Motor Club promotes and supports.
