Welcome and thank you to all our members for your continued support to Eastwood & District Motor Club and the Annual Awards Evening.

This year we are celebrating the 74th Awards Presentation and this great opportunity to share and present some lovely trophies to our fellow Club Competitors and Marshals as well as other local Club members who took part and won class awards in our very popular Grass Autotests.

On the competition front we saw Eastwood DMC crews out competing within Stage Rallies (such as the fabulous Roger Albery Clark Rally), Classic Trials where Son and Father Team Phillips had a great season and a “new” crew of Hills and Wagstaff went out competing on the night road event front. Plus of course our great Grass Autotests events and a Karting evening saw the Clubsport title get more entries to fight over the trophies. The Allrounders title also saw many folks challenging for the top spot. Well done to all.

The Marshals were out in force again throughout a variety of types of events from smaller 12 Car night rallies to the big RAC Rally in November with Road and Stage rallies in between. No Marshals means no event can run so a big thank you to all our Marshals and great to see new members “Team Clarke” coming out to try marshalling too ! Brilliant.

So tonight, we honour the **2025 Season Club Award Winners**.

Thank you to all the competitors and marshals that support and promote the name of Eastwood & District Motor Club and of course, a big thank you must go to the organisers and helpers of all the events (big and small) that Eastwood & District Motor Club promotes and supports.
