6th December 2025 – Grizedale Stages Rally - The Coppermines Cottages Grizedale Stages Rally is back for 2025 and there's definitely unfinished business. After the windy cancellation last year and snowy shenanigans in 2023 we're having a change to the format and reverting to a 1-day event with a twist - for the first time we have permission to use both sides of Grizedale on the same day - so that's what we're doing. It's a round of the BTRDA, Scottish, English, ANECCC and Stage Master Championships and a high-quality entry is virtually guaranteed.

On Saturday 6th December, the whole of Grizedale will echo to the sound of rally cars, but we can't do it alone. We need you! We're looking for marshals of all disciplines - Timing, Instage, Radio, Passage Control and Service - to help the event run smoothly. If you can help, come and end the gravel rally season in style and please sign up to the stage you wish to go to - Stage Commanders are listed below. Earliest sign on will be around 7.30am and due to its ultra-compact nature the event should conclude with the last car finishing by 3.30pm.
